The parade will begin forming at 6:00 pm on the Chenango County Fairgrounds, and will move at 7:00 pm sharp. We recommend departments and other units be in position by 6:45 pm. Positions will be marked for those units who have notified the committee of the intent to participate in the parade. Any unit not in position by 6:45 pm will be placed at the discretion of the parade chairman.

Winners will be announced at the Entertainment Tent at about 8:30 pm. A representative from each unit is asked to be present at that time. Cash awards will be mailed about two weeks after the parade.

There will be an announcement at 5:00 pm on the day of the parade if poor weather forces us to cancel the parade. Fire Control will notify the fire departments. The radio station will notify others.
